

PVC VLP Repair Kit

Ref: C61Z09

\$39.99

Finance from \$0.19 pw

Description

The major benefit of this over the repair kit is that if the hole is only small, a patch is not required.

The VLP repair glue comes with 1 x tube of VLP and instructions, it is designed for small fish spine nicks, holes and scuffs up to the size of a small pin head it can be used on our boats or any **PVC** tube.
