Description

646 Walk Around

Introducing the all-new 646 Walk Around — a model born from strong demand and crafted for those who expect more from their time on the water. This highly anticipated release blends superior walk-around accessibility with a beautifully balanced hull, delivering a smoother, drier, and more assured offshore experience. Every detail has been refined for discerning boaters seeking premium fishability, exceptional build quality, and the freedom to move seamlessly throughout the vessel. The 646 Walk Around sets a new standard in its class, offering luxury, performance, and capability in perfect harmony.
