Description

Stabicraft 2350 Ultracab WT

The new 2350 Ultracab™ WT from Stabicraft® is an exciting addition to the 2350 range, built on the same offshore-proven performance hull as the 2350 Supercab. It features unparalleled bow access via an innovative central door, and offers a wide array of cabin and deck accessories resulting in a highly versatile 7m platform that reflects Stabicraft's® commitment to innovation and capability.
