Description

Stabicraft 2350 Ultra Centrecab

The new 2350 Ultra Centrecab from Stabicraft® is the latest to join our 2350 range on top of the proven Supercab offshore performance hull. With unparalleled fishability through a full walkaround deck space, monstrous cabin volume thanks to the lean forward glass and a plethora of transom options to suit all types of fishing, the 2350 Ultra Centrecab is fisherman's dream vessel packed with ample space and luxurious comforts.
