Description

Stabicraft 2500 Ultracab XL

The 2500 Ultracab® XL is the perfect choice for long adventures. The extended cabin area of the XL provides more people with more space and extensive storage for overnight stays and diverse explorations. The 2500 Ultracab® XL was designed to handle all conditions you may encounter, from holiday cruising, family fishing trips to serious off-shore fishing. Adventuring with confidence is an understatement when it comes to the 2500 Ultracab® XL.
