Description

Stabicraft 2750 Ultra Centrecab

The 2750 Ultra Centrecab evolved from our popular walk-around platform with the addition of a lean-forward 'Ultra' windscreen that provides excellent visibility from inside the vast cabin space. Cast and fish from 360° of access to every usable space. It's an adventurer's dream vessel. Smooth riding, very stable and dry, excellent fuel capacity, this big rig is the perfect option for extended trips or overnights.
