

Stabicraft 1450 Explorer

Enquire for Pricing

Description

The 1450 Explorer Is a brand-new model in the Stabicraft line up. This model is replacing the extremely popular 1410. This is ever more exceptional than its predecessor in every way from thicker pontoons and floor, additional rod holders, cleats and Stabicrafts Multiholders. With a larger internal volume and forward seating as standard you can do everything, you're used to doing in a 1410 plus much, much more.

Standard features include:

Broadhead Wing-Style Coamings, Bow Seating Area, Maximised Width 4 mm Tread-plate Floor, 3 mm Arrow pontoons, Split Bow Rails, Traveling Rod Holder Sockets x4 in Bow, Raised Anchor Bulkhead, Raised Casting Platform over Anchor Well, Stabi Cleats x 2, Transducer Brackets Port & Starboard, 4 x Rod Holders in Aft Coamings, 4x Multiholders in Aft Coamings, Bolt in Seating Plank

Optional extras you can add to this boat:

Port side boarding step
Starboard boarding step
Removable bait station
Foam filling
Minn Kota Bracket
Paint
